Bridging Hope and Opportunity

News From The Drake House

January 2015

Thank You!

We are excited to ring in the New Year! We have high hopes to complete our new classroom wing and renovations mid-spring so that we can settle back in on Clara Drive. Fortunately, you all found us in our temporary offices and the outpouring of gifts and gift cards delivered over the Holiday Season was beyond measure. Thank you so much for remembering our families as you remembered your family and friends!

Because we have very limited storage space, we are requesting that all donations of items for the apartments, the office or the pantry be limited to those who call ahead to Lynn Canty, our Volunteer and Resource Coordinator. Lynn is managing the weekly distribution of needed items to our families but with very limited space and accessibility to our Clara Drive building. Lynn can be reached at lcanty@thedrakehouse.org or by phone at 770-587-4712 x305. We expect to be able to accept items once we move back over in April.

Please do keep the donations of nearly-new ladies clothing and accessories coming to both Drake Closet resale stores - located in downtown Roswell and downtown Alpharetta. The stores are open to the public for donations, volunteers and for shopping!

Best wishes for a very Happy 2015!

Executive Director*

Our Families

A Drake House Christmas Through the Eyes of a Child

Every year I write my wish list to Santa, but this year he really came to visit! On a fire truck! He came to our Monday night class at The Drake Center and I sat on his lap and took a picture with my mom. She was so happy this Christmas. We went to see the Nutcracker and she got gifts this year, too! I picked some out for her in the Santa shop the night Santa came, and even wrapped them myself, with a little help! They were under our Christmas Tree with my gifts, and the stocking and blanket that Santa gave me. We had a special Christmas Dinner that nice people brought to our house, and people came to sing Christmas carols. Mom even got gift cards, and she said she is saving some of them for when we move and need things. We get to keep the pretty Christmas wreath that mom made when we leave. This was a really fun Christmas!

Kroger Community

Our Volunteers

The holiday rush was upon us. We continued the educational programs for the families, sorted the holiday donations and packed up for the move to our temporary office location. **Ciena Corporation**, a local telecom company sent 31 people to help us clean the new space, paint the walls, pack up the old office and move all the tables, chairs, office supplies, boxes and records. There was a tremendous amount to be moved.

They moved thousands of pounds of canned food from our old pantry to the new pantry but they first had to disassemble and then reassemble the pantry shelving. All the while, the office staff was able to continue working. The next day, **Carmichael Consulting** volunteers installed the computers and coordinated moving the office furniture with the aid of **Hiscox** volunteers into our temporary offices. Two days into the project we were all up and running at our Grimes Bridge location.

Thank you to all the volunteers from Ciena, Carmichael Consulting and Hiscox that made the move to the new office so very flawless. It was truly a Christmas miracle!
