

Real. Simple. Mailing.

ParcelPods

Turn your package
mess into zero stress.

Real. Simple. Mailing.

Complete Locker System

Take control of your mailroom. FP's ParcelPod solution is the perfect way to organize and keep track of all your incoming packages. Paired with QTrak, this complete system takes the chain of custody off property owners.

Secure

Security is the most important feature now more than ever. Recipients receive a unique code straight to their phone, allowing only them to access the locker.

Customizable

ParcelPods allow for complete customization to perfectly fit your mailroom's needs. Choose a wrap with custom graphics and the right size locker that works best for your volume.

Simple & Cost Effective

Ditch the costly efforts of hand delivering packages across large areas and let users come to one centralized location.

Features

Theft Protection

Securely locked and only accessible by unique code.

Centralized Location

Save time and let users come to one location.

Made to Order

Pick the right configuration of lockers for you.

24/7 Access

Allow users to pick up packages on their time.

Custom Finish

Wrap lockers in your own branding.

No More Clutter

Packages are organized and neatly stored.

How It Works

1. Mail carrier scans package into system

2. Mail carrier enters recipient's name into system

3. Recipient receives unique code to pick up package

4. Check log of packages on computer
